

School Management Policy

1 日本の教育に準じ、日本語により日本の学校や社会に適応する素地を養う。

To maintain a basic level of skills necessary for children so that they will be able to adapt themselves to Japanese schools and society when they go to Japan.

2 彼我の文化、文明に対して偏見や独断にとらわれず、情操豊かな人間形成を図る。

To cultivate strength and will in students, to instill a broad viewpoint which does not incur prejudice against any race and nationality.

School Goals

'Shine through learning' Japanese Supplementary School

テネシー州メリビル市にある本補習授業校への地域・保護者の願いや期待を十分に理解し、児童生徒一人一人が自ら考え、自ら学び、主体的に判断できる「生きる力」を身に付け、帰国後日本の学校や社会に適応・貢献し、国際連携のできる豊かな人間をめざすとともに、一人一人が国際感覚を培い、個性を發揮できる、明日への希望が見える“学び合う喜びと希望に輝く”補習授業校をめざす。

East Tennessee Japanese School wishes for all students to "Shine through learning". One by one, we aim for students to form their own ideas and learning styles, determine their future goals and adapt to school and society overseas. We wish for them to contribute to a richer international understanding, demonstrate individuality and retain useful knowledge for the future.
